1-Land Revenue

(1)

Rao Sahib A. Madhava Prabhu *(Diwan Peishkar):* I rise to move for an additional allotment of Rs. 3,663 under "1-Land Revenue—C-Supplies and Services". The rate of remuneration to be paid to the Central Bank of India for the working of the treasuries at Cochin-Kanayannur and Trichur has been enhanced. The budget allotment of Rs. 5,600 is insufficient to meet the excess expenditure. An additional allotment of Rs. 3,663 is therefore necessary under the above head. I request that the same may be granted.

Rao Sahb A. Madhava Prabhu *(Diwan Peishkar):* I rise to move for an additional allotment of Rs. 1,900 under "1-Land Revenue—Miscellaneous". Rao Sahib A. Madhava Prabhu *(Diwan Peishkar):* I rise to move the following additional allotments of Rs. 53 and 100 under K. A. Samajam Establishment and contingencies. One more gardener was added to look after the garden which was looked after by the Military authorities where the buildings were occupied by them. Subsequently when they left, the necessity for increasing the number arose, and this accounts for the increase of Rs. 53 and Rs. 100 is for fencing charges. What was included in the original budget was found to be insufficient. I request that these sums may be sanctioned.

Rao Sahib A. Madhava Prabhu *(Diwan Peiskar):* I rise to move for an additional allotment of Rs. 3,900 under "1-Land Revenue—4-Fisheries—Miscellaneous". This is necessitated by the fact that the Narakkal fishpond whose construction was started last year was finished only this year and on account of that a portion of the expenditure that ought to have been met last year could not be met for want of funds and this is to cover that expenditure. I request this may be sanctioned.

(6)

Rao Sahib A. Madhava Prabhu *(Diwan Peishkar):* I rise to move for an additional allotment of Rs. 750 under "1-Land Revenue—4-Fisheries—Deep sea-fishing". There is a provision of Rs. 5,000 under 1-Land Revenue—4-Fisheries—Deep sea-fishing in the budget for the current year, to conduct deep sea-fishing. The amount proposed is to be spent this year for purchasing accessories for use next year. The best period for conducting operations in deep sea-fishing is Chingam and Kanni. Therefore the accessories required for the operation to be undertaken in 1122 Chingam and Kanni have to be purchased this year itself. The accessories proposed to be purchased this year are 23 pieces of new drift net at Rs. 37—8—0 per piece. There is no provision in the budget to meet this expenditure. Therefore an additional allotment of Rs. 750 is required under 1-Land Revenue Fisheries—Deep sea-fishing. I request that the House may be pleased to vote.
